

Rock Bridge Small Group Discussion Guide
The Cross Changes Everything – Part 3
PARTICIPANT GUIDE

INTO THE WORD:

1) Read Romans 6:6-11

- a) List all the truths contained in this passage concerning the Christ-follower that results from the cross & resurrection.
- b) Which truth (from above) do you most to live into (or realize and apply in your life)?
- c) Imagine you are talking to someone who is ready to become a Christ-follower. How do you explain to them what really happened at the Cross?

APPLY THE WORD:

- 2) Share some ways that you tend to minimize the full truths and implications of the Cross in your own life?
- 3) Imagine if the Cross were your only boast. You did not need human approval; you did not need to 'win' at your job, your class, your sport, etc; you did not need other people to make you whole & happy. What difference would that make in your attitude? Your relationships? Your approach to work, school, sports?
- 4) Is there any sin you need to confess, and then claim the power of the Cross over that sin? Pray for one another to realize the full truth and full power of the Cross.

PRAYER TIME:

Encourage group members to praise God and boast to Him in the Cross along the following categories:

- *God, I realize everything good thing I have is bought by the Cross.*
- *God, I am dealing with something bad right now ... but I thank you that it will be turned into good by the Cross.*
- *God, forgive me for ingratitude ...*
- *God, help me overcome ...*
