

Rock Bridge Small Group Discussion Guide
God in my House - Part 2
PARTICIPANT GUIDE

Into the Word:

Read Galatians 5:13-26

- a) Why does the 'flesh' appear so easily in our homes?
- b) Use this passage to explain this phrase: "*True love and kindness are supernatural.*"
- c) Why is it important to remember and rely on God's work in us?
- d) What would happen if before you reacted, responded, or initiated with your spouse/friend/child/family member, you asked, "*Is this the flesh or Spirit?*" How according to this passage can you tell the difference?

Apply the Word:

- a) What insight from the message or text was most meaningful to you this week?
- b) How much influence does shame and contempt have over you or in your relationships?
- c) How does the Gospel of Jesus produce new possibilities in our families and marriages?
- d) What part of the Gospel do you most need to remember when interacting with your family/spouse? (Ex: The hope that we can change, the truth that we are all sinners, the truth that we are all forgiven, the truth that we are all loved?)

Prayer Time:

- Using answers in d) above, pray for each person and for God's power and grace to enable them to live differently.
