**Ice Breaker:**

- What's the most memorable movie depiction of heaven you have ever seen? Why was it so memorable?

**Into the Word:**

1) If you were to share one insight or point from this message, what would it be and why?

2) Special Scripture Activity:

Break up into smaller groups of 2-4 people (or just break up individually) and each group look up one of the passages below. After 5-10 minutes, everyone come back together and take a few moments to share what they learned about heaven/eternal life. Specifically try to focus on what seems exciting about it.

Psalm 16:11

Philippians 1:20-23

Luke 23:39-43

Isaiah 65:17-25

**Apply the Word:**

3) Using one of the words used to describe heaven from the message, pick the one that most resonates with you and share why you long for that.

From the Sermon:

- Renewal: God will remake creation; re-centering everything on Himself; will include a reunion (and if necessary reconciliation) with others Christ-followers.
- Release: from pain and hurts and wounds; we will see these from a new perspective, releasing us from the hurt
- Responsibility: we will reign with God over His creation; we will exercise our calling without hindrance or distraction

4) Of the 4 application points, which one will you focus on for the next several days/weeks? Why? How can our group support you?

From the Sermon:

- Reconsider a short-sighted decision (to quit something; short-cut God's plan; to practice delayed gratification)
- Move past the appetizers ... pursue joy in Christ; don't settle for less
- Remember the default destination is hell, not heaven
- Repent: re-center; re-align

**Prayer time:** (Choose one)

a) Pray for people who you want to be in heaven.

b) Sentence prayer:

*God, because of the hope of heaven I need to \_\_\_\_\_ on earth today.*
