Read I Corinthians 2:6-16

2) Why are the "rulers of this age" coming to nothing?

3) What is the Spirit's work in helping us perceive the value of God in Christ?

4) Verses 14-16 are about how we "evaluate" things spiritually with the "mind of Christ." What do you think it means to have the "mind of Christ"?

Apply the Word:

5) In the message, Matt said 3 things can influence our values: culture, a crisis, or heaven. How can you let heaven have more influence over your values?

6) Share one value in your life that needs to be less important to you and one that needs to be more important to you.

7) In Revelation 19:8b we see that "righteous acts of the saints" are celebrated in heaven. Where does this encourage you to be more faithful or to endure or to be more consistent?
