

CRAFTS | DAY 1

Bible Story: Seeing God in Creation • Romans 1:20

Bottom Line: FOCUS on what you can see.

Memory Verse: "Let us keep looking to Jesus. He is the one who started this journey of faith. And he is the one who completes the journey of faith." Hebrews 12:2a (NirV)

WHAT DO YOU SEE?

What You Need: Two pieces of card stock; tape (or you can use provided stickers to stick rolled up card stock together); stickers; other decorative supplies like markers or crayons (optional).

What You Do:

Before the Activity: Explain to kids that they are going to make a pair of binoculars to help them FOCUS on everything God has made!

During the Activity: Encourage the children to decorate their binoculars with the stickers and any other decorative supplies. After kids have decorated their sheets of card stock, help roll them into tubes and stick them together with tape or stickers.

What You Say:

Before the Activity: "Today we're talking about how we can see God through all that He has made! Let's make some special binoculars to help us see all the wonderful things God has made."

After the Activity: "When you look through your binoculars, do you spy some cool things God made? (Pause.) Yes! Take these binoculars around your home and keep looking for all the amazing things God made. God gave us so many wonderful things to enjoy, but the BEST gift ever is Jesus."
