

# SHARING YOUR STORY (TESTIMONY)

Each of us have a story to tell how Jesus came into our lives, saved us from our sin, and called us to Himself. Sharing our story is important because it helps us move from strangers to family. All of our stories are different, but there is one enemy; Satan and the effects of sin, and one hero; JESUS. When we hear other stories we see just how much we have in common in the saving work of Jesus Christ!

Read Paul's testimony as told to King Agrippa in Acts 26:4-18. Notice how he speaks boldly, sharing first about his life before Christ and his introduction to Christ before receiving his commission to appeal to the lost so that they may turn from darkness to light.
