### PRACTICAL HELP FOR PEOPLE WHO NEED SUPPORT

At Rock Bridge Dalton, we want to provide care to the hurting by offering comfort, truth, grace, and a path to restoration. We do our best to equip staff, bridge builders, and small group leaders to meet people where they are, and we offer support through care, counseling, benevolence, and prayer.

#### PRAYER REQUESTS

Have a prayer request? We would love to pray for you. Share your request by filling out a form at [ROCK BRIDGE PRAYER](#) and someone from our team will reach out to pray with you. If there is a prayer request that is urgent and requires immediate attention from our team or is more than you or your small group can handle, please email your request/need to ... #### FINANCIAL ASSISTANCE

We understand that life can be challenging and times can be tough. If you need financial assistance, complete our [BENEVOLENCE FORM](#) and someone from our team will reach out to you.

#### MEET WITH A PASTOR

Navigating big questions and life circumstances can be hard, but you don't have to do it alone. If you would like to speak with a pastor to work through issues or struggles with someone who can help point you to God's Word, please reach out to us [HERE](#). Most of our pastors aren't licensed counselors, but they can help you find answers to questions and problems in God's word.

#### COUNSELING

Rock Bridge pastors are available to listen to your story and pray with you. If in the course of speaking with you they feel that further counsel is needed, he or she will encourage you to contact one of our counseling partners. Contact us [HERE](#) if you'd like to speak with one of our pastors.

For those seeking professional counseling, we have compiled a list of trusted Christian counselors in the Dalton area and online. These counselors hold similar values and integrate Christian principles with evidence-based counseling methods. *Rock Bridge provides this information in good faith and does not take responsibility for the independent work of any counselor or counseling practice.*
