

MONTHLY OVERVIEW

The most amazing work of art is the one we see in the mirror each day—people! God made everything, but people are God’s most wonderful creation because we are the only creation made in God’s very own image. God made us to think and figure things out, to create and invent, and to help others—just like God.

Every time we look in the mirror and look at another person, we are seeing God’s masterpiece. We want preschoolers to know that they are wonderfully made because of WHO made them—THE awesome artist—God!
