6:10-6:15 HOST WELCOME

Host 1 (Rocky) enters carrying a remote for a remote-controlled helicopter or drone. Host 2 (Ranger) intercepts him.

HOST 2: *“Hey Rocky, what’s that you have there?”*

HOST 1: *“Hey Ranger! It’s a drone! I have this great idea for a video I want to post and I want to get some cool shots from way up high. The views are so beautiful here at Breaker Rock Beach and I just have to get some amazing videos while I’m here!”*

HOST 2: *“I’m sorry, but didn’t you crash and break your drone the last time you tried that? Plus, it’s not a good idea to be flying drones at Breaker Rock Beach right now.”*

HOST 1: *in a very exaggerated voice, using gestures for soaring over cliffs “Ugh, you just want to be a party pooper! Life is about doing whatever makes me happy, and getting some awesome shots coming in over those cliffs then flying low over the sand right into a breaking wave would be the perfect intro for my video. And that would make me very happy.”*

HOST 2: *“Rocky, doing whatever makes you happy is not always the best choice. You have to trust that there might be a very good reason for why you can’t or why you shouldn’t do something. I’m not just trying to squash your happiness, I just....”*

HOST 1: *interrupting Host 2. “Oh and I suppose you have a very good reason for why I shouldn’t just do what makes me happy?”*

HOST 2: *“Birds.”*

HOST 1: *“....birds?!”*

DAY 2 *Opening Session*

HOST 2: *“Yes, birds! Right now it’s nesting season for some of the birds here at Breaker Rock Beach. Your drone could actually hurt those birds and interfere with their natural routines.”*

HOST 1: *“Oh. I guess I didn’t really think about how my actions would impact others. I don’t want to hurt any baby birds. I’d feel awful!”*

HOST 2: *“Good call. You know, some people will tell you that you should always do what makes you happy, no matter what. But that’s simply not true. There are more important things than being happy. Like trusting that God knows what’s best for you and that His plan is always best.”*

HOST 1: *“Thanks, Ranger. If I only made decisions because it makes me happy, I could hurt myself or others, or miss out on other amazing opportunities! That’s just like our Daily Truth today:*

SLIDE: DAY 2 DAILY TRUTH

Today we are learning that God’s Plan is Best.

In the meantime, I have some binoculars we can use to look at the amazing views together. But first, I think we should worship!”*

6:25-6:30 BIBLE STORY

(Can be told by 1 host or 2 that switch parts).

HOST 1 OR 2: *“Today, we are learning about a true story from the Bible. hold up Bible.*

The Bible is God’s Word given to us. It is full of stories about real people like you and me. All of these stories fit together to tell one Big Story, the story of how much God loves us and His awesome plan for us! Today, I am going to tell you a story from the book of Daniel.

SLIDE: DAY 2 BIBLE STORY PICTURE 1

“Daniel, along with his family and friends, lived in Jerusalem when King Nebuchadnezzar from Babylon attacked their city. Even though the king didn't believe in the one true God, God let him defeat and take over Jerusalem.

Daniel and some other strong and smart young men from Jerusalem, named Hananiah, Mishael, and Azariah, were taken by the king's officials to Babylon. They didn't have a choice but to go on a long journey far away from their home.

SLIDE: DAY 2 BIBLE STORY PICTURE 2

The young men had their names changed and were going to serve the king for three years. The king said they had to eat the same fancy food he ate. But when Daniel found out, he asked the king’s main leader to give him and his pals only vegetables and water instead. You might think it was just because vegetables are healthier, but it's way deeper than that! Back then, God told His people not to eat certain foods. When Daniel found out the king's food wasn't what God wanted, he chose to obey God instead.

Daniel and his friends took a risk by asking to only eat vegetables and water instead of the king's food. After ten days, they were healthier and stronger than the others who ate the king's food, so they were allowed to keep eating what God wanted them to eat. Because they followed God's plan, they became the smartest and most skilled. They even understood dreams and visions! The king trusted them more than anyone else.”

They were forced out of their homes and live in deserts with no food or clean water. Clean water is so important because it helps people stay healthy by keeping them clean and stopping diseases. Let's watch this video to learn a little more about how important clean water is."*

SLIDE: DAY 2 DAILY TRUTH

HOST 1: “God knows everything, and even when following Him seems hard, He has the very best in store for all of us! And in order to trust and understand God’s plans, we need to learn more about Him! You can start to do that by reading about God in your Bible, praying, coming to church, or talking to other adults who you know are also following Jesus.
