

# Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

# MAKE IT STICK

## 5 Simple Ways You Can Make This Lesson Stick With Your Kids

### THIS WEEK'S LESSON: TAKE UP YOUR SWORD!

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

God says the Bible is like a sword. Just like a sword takes practice to use, we need to practice using God's Word. One of the ways we can do that is by knowing what God has included in the Bible and where we can find it. Hebrews 4:12, Ephesians 6:17

#### HANGING OUT:

Make this week's lesson real:

How many books of the Bible do you know? Let your kids quiz you, and see how many books you can name from memory.

#### AT DINNER:

Here are some great discussion starters:

- How many books are in the whole Bible?
- How many books are in the Old Testament and New Testament?
- Why is it important to memorize the books of the Bible?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

*"God has breathed life into all Scripture. It is useful for teaching us what is true. It is useful for correcting our mistakes. It is useful for making our lives whole again. It is useful for training us to do what is right." 2 Timothy 3:16 (NIRV)*

#### PARENT TIME:

What you need to know:

This series will help your kids to memorize all 66 books of the Bible. Make a commitment to help them not only practice their memory verse, but reciting the books of the Bible. Let them teach you the books and the hand motions that go with them so you can all benefit from knowing God's Word a little better.
