

Joshua and Jericho
Joshua 5-6

Wonder Truth:
God Leads Us

What problem did Israel have after they crossed the Jordan river?

What was around the city of Jericho?

What did God's messenger tell Joshua to do?

What happened when the Israelites blew their trumpets and shouted?

What did God promise to the Israelites in today's story?

How do you know God keeps His promises?

How does God still lead us today?

What is one way God leads us today?
